# WELCOME TEAM HOPE WALKER! WE'RE SO GLAD YOU'RE HERE.

---

Team Hope is the Huntington's Disease Society of America's (HDSA) signature grassroots fundraising program designed to provide hope and help for those touched by Huntington's disease (HD). All proceeds from the Team Hope Walk Program support the HDSA's mission to improve the lives of people with HD and their families.

As you embark on your Team Hope journey, these materials will assist you through **every step of your experience** by providing you with information about HDSA, Team Hope, promotional resources, and fundraising ideas to ensure a successful campaign.

Together, the funds you raise and the people you recruit will fuel HDSA's care, education, advocacy, and research—making an impact in your community and across the country.

# LEAD BY EXAMPLE: TIPS TO MAXIMIZE YOUR IMPACT

## Join the Team Hope Inspiration Club

Raise \$1K in advance of walk day to become part of the Team Hope Inspiration Club! Your name will be announced on walk day in front of all walkers, e-blasted in one of our Team Hope monthly newsletters and a special token of our appreciation will be mailed to you following the event.

## Inspire Others Through Your Fundraising

Set an ambitious fundraising goal and begin your fundraising early. Make a donation on your fundraising page, and encourage your contacts to match that donation. Share your progress with your supporters through weekly notes, and thank them for their strong impact on HDSA's mission.

## Create Friendly Competition

Encourage your friends, family, or coworkers to join in the fun by competing for the top donor spot. Partner with a local business to secure a prize or gift card, and use it as an incentive to spark excitement and boost donations.

## Double Your Donations

Many companies have Matching Gift Donations that will double or triple your donor's donation! Don't forget to ask your friends if their company has a matching gift program or visit [\[LINK\]](#)
